

Fortune of Year 2020 for People Born in the Year of the Monkey

Career Tip: Watch Out For Backstabbers And Endure All Oppression With Patience

You have a lot of unlucky stars in your chart this year—and no lucky ones! So expect a turbulent year ahead of you. Be extra careful in all things, your work life included. An unlucky star in your chart, Zhibei, signifies fingers pointing at you behind your back, so you will likely be bothered by lots of rumors. Always err on the side of caution—some backstabbers can definitely ruin your career if given the chance! Another unlucky star in your chart, “White Tiger” also signifies trouble from above, meaning that your supervisors or others of a higher position may oppress you without any particular reason, making it difficult for you to perform at your full potential. Still, they won’t be able to end your career just like that due to the advantages you already have, so it’s better to be patient and not try to fight back, as that will only bring about failure sooner.

Due to other unlucky stars in your chart, multiple unexpected problems will occur out of the blue. Therefore take extra care in all your businesses, as the smallest error could lead to devastation. People born in the year of the sheep and, to a lesser degree, people born in the year of the ox, will be great help in your career advances this year. Forge sincere work relationships with them and your

work process will be sped up in leaps and bounds! The luckiest career choices for you this year are those related to “water” and “earth”.

Finance Tip: Main Income Source May Be Instable. Do Not Borrow From Others

Unlucky stars are present in the finance sector in your chart this year as well. Not only can you expect instability in your regular income source, but you may also encounter problems that will cost you lots of money. Therefore, be careful with your finances and start saving up early in order to avoid a financial crisis! This is not a good year for making investments or starting a new business alone—avoid big investments especially, as those will likely not work out well. You will also be unlucky in side ventures, so steer clear of those at all costs. Do not borrow money from anyone this year unless you really don’t have any other choices, as you’ll likely have trouble paying your lenders back. Watch out for telephone scams in the beginning of the year.

Health Tip: Take Care Of Your Lungs And Stomach, And Be Careful When Doing Water Activities

Your health situation seems ambiguous this year, so rest whenever you can and avoid overworking, as that

Fortune of Year 2020 for People Born in the Year of the Monkey

may lead to serious complications. Take especial good care of your lungs and stomach. An unlucky star in your chart, Disha, points to possible injuries caused by tripping and falling, so be especially careful while hiking or running. Also, be extra cautious when enjoying water activities between summer and autumn. Safety comes first!

Relationship Tip: Keep Your Emotions Under Control And Don't Try To Force Love

Expect a highly emotional year ahead of you. You may be fuming one moment and ecstatic the next. You may lose friends if you don't try to keep down these drastic mood changes at least a little! 2020 will be a complicated year when it comes to love. Be very careful in your romantic relationships, or you may find yourself stuck between a rock and a hard place.

Also, remember that love isn't something that can be forced, so if you realize that there is no longer love between you and your significant other, it may be time to amicably part ways—hanging on stubbornly will do you no favors.

Monkey: Elite Army

This charm is composed by a lion, King of the jungle, and an adorable bear holding an ingot. “Bear” is pronounced xiong in Chinese while “lion” is pronounced shi, while the ingot signifies plentifulness. These three combined form the term baiwan xiongshi, meaning an intrepid elite army—a perfect item to welcome the new year with.

For those born in the year of the monkey, the following year will not be a peaceful one. Be extra cautious with everything, as certain unlucky stars are shining upon you. Bullying and oppression might be problems you'll face during this period, and it's best to have a trusted outsider to help. This “Elite Army” charm, placed facing the southwest (or in the southwest of your home/office), will help you navigate the year of 2020 and bring you great luck.
