

# Fortune of Year 2021 for People Born in the Year of the Tiger

## **Career Tip: Face Challenges With A Level-headed Mindset, And The Path Will Lead To Success**

Those born in the year of the tiger has a great year to look forward to. The Sun is currently in your life cycle, bringing in brightness and great fortune. However, as the unlucky star “God of Loneliness” is also shining upon you, you’re advised to tone down the arrogance in the workplace, or else others may try to stir up trouble. As long as you can nip all issues in the bud and steer clear of ill-willed “friends”, things should go smoothly. Instead, try to make friends who share your goals and work with them for great career achievements.

Besides that part, the unlucky star “Sky of Emptiness” is in your life cycle this year, meaning that several small bumps may arise in your career. Be very careful and level-headed, try not to force things too much, and the path shall lead you to success! Those born in the year of the dog and, to a lesser degree, those born in the year of the pig are your good-luck charms when it comes to your career. Collaborations with such people are likely to lead to success in your work life. Careers involving the elements wood and earth will be the most beneficial to you.

## **Finance Tip: Don’t Be Greedy And Keep Your Assets Close**

Your finance fortune this year isn’t too bad. You’ll have a steady stream of income to rely on, though other sources may not yield similarly good results, so don’t let greed get the better of you. You’ll have better luck in investments in the second half of the year, especially towards the end, but refrain from making rash decisions just because of recommendations of others. Also, as the unlucky star “Swallowed Up” is in your cycle, be very careful when taking inventory of your assets this year. Someone you trust may be sneakily taking your money!

## **Health Tip: Keep Calm And Steer Clear Of Uncooked Food**

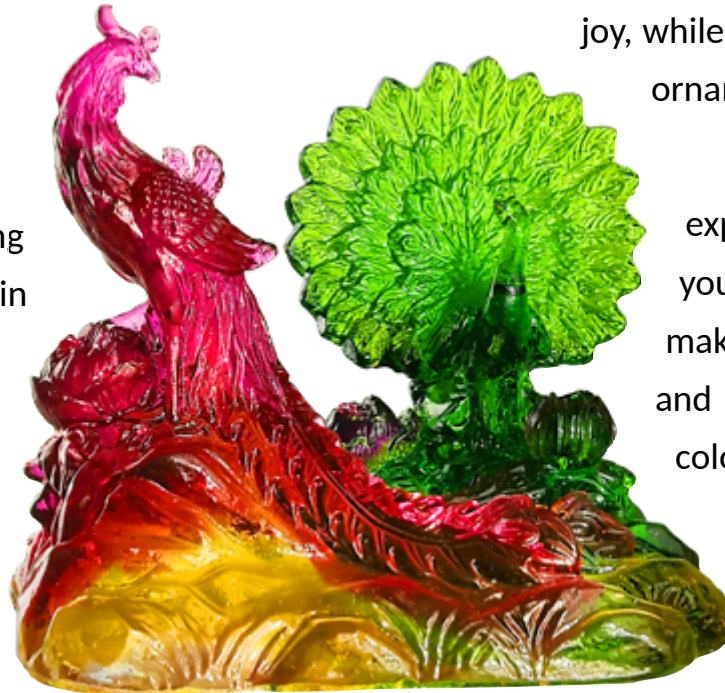

Your health is looking up this year, except when it comes to your digestive organs, so be careful with the food you eat, especially with raw food and seafood. Take care of your emotions as well, as violent mood swings may lead to health issues. If you plan to travel in the beginning of the year, be cautious on the way and stay away from possibly dangerous situations. In early autumn,

take special care of the elderly in your household, health-wise and safety-wise. You can expect lots of joyful events towards the end of the year, but try not to drink too much, as that will only lead to tragedy.

## Relationship Tip: A Lucky Year, You May Find Your True Love!

The lucky star “Pink Phoenix” is shining upon you this year, meaning great fortune in your relationships, especially your love life. Sparks will fly, and things will develop well if you cultivate the relationship with care. However, the “Black Cloud” star in your life cycle symbolizes backstabbers who may want to ruin your relationship, so try to keep your love life low-key.

## Tiger: Spring Phoenix & Peacock

The beautiful peacock is an auspicious symbol, while the phoenix is one of the four rare spirits in traditional Chinese lore. When spring arrives, the peacock shows off its tail and dances in joy, while the phoenix keeps it company on a tree. This ornament is really the epitome of good luck!

Those born in the year of the tiger can expect a great year with so many lucky stars in your chart, especially the “Pink Phoenix”, making you quite popular in both your private and public life. You can also expect to have a colorful, fruitful love life! Place this “Spring Phoenix & Peacock” ornament in the south of your quarters, and it will bring you a year of good fortune.
