

Fortune of Year 2023 for People Born in the Year of the Ox

Career Tip: Lay Low And Readily Follow Good Advice

There are heaps of unlucky stars yet few auspicious stars in your charts, meaning that you have a difficult year ahead. Career-wise, the presence of the "Heavenly Dog" indicates you are prone to inviting troubles for yourself. So you should keep a low profile just in case your enemies ruin your future out of hatred. Besides, do not force things into a lose-lose situation. You are prone to be self-opinionated this year, which must be rectified. Try your best to follow others' good advice.

Your finance fortune this year, sadly, is not good at all. Avoid unnecessary investments and save up whenever you can. Your health won't be a major problem, but you need to caution against home safety hazards. The unlucky star "Loneliness" will shine upon your relationship sector, signaling that this isn't a very lucky year for romantic relationships. People born in the year of the rooster and people born in the year of the mouse will be of great help in your career advances this year. The south direction is ideal for your career. The luckiest career choices for you this year are those related to "gold" and "water".

Finance Tip: Save Up When You Can And Cherish What You Already Have

Your finance fortune doesn't look good this year. You may spend an unexpectedly large amount of money. So you should always check your budget and balance sheets carefully in case of financial distress. Try to avoid any kind of investments to prevent huge wealth loss. Refrain from gambling, as it will make your financial situation even worse. Remember to take care of your elders and ensure home safety; otherwise, you may have to spend a large number of medical expenses. You won't have much luck in getting income from either your regular sources or side endeavors. So save up whenever you can.

Health Tip: Nourish Your Livers And Stomach And Take Care Of Your Family

Your health fortune is average this year. You are prone to feeling tired and may suffer from insomnia. So you should rest more and take good care of yourself to avoid mental collapse. Particularly, you should take care of your spleen, stomach, and livers and go to the doctor as soon as any problem is detected. Unlucky stars in your chart indicate that accidents may happen to your family. So pay special attention to home safety, especially in the kitchen.

Relationship Tip: Maintain Your Relationship And Avoid Being Picky

The unlucky star "Loneliness" shining upon your relationship sector signals that this isn't a very lucky year for romantic relationships. You will feel depressed often and be prone to staying away from others. It will be difficult to make any progress in your relationship this year as there are unsolved misunderstandings between you and your loved one. To maintain the relationship, do not nitpick too much, nor say anything mean to your loved one, just in case of a breakup.

Ox: Harmony Brings Wealth

The smiling God of Wealth has always been popular as he is said to bring in wealth. The big turtle by his side carries a huge treasure box, which is filled with gold, silver, and jewels, and is guarded by a small turtle. The harmonious combination of the God of Wealth, the two turtles, and the treasure box indicates that harmony will bring you wealth.

People born in the year of the ox will have an unlucky year ahead. Your work may not progress smoothly and you are prone to get involved in conflicts. Your finance fortune isn't good this year—don't have high expectations for either your regular income source or other sources. This "Harmony Begets Wealth" charm, placed facing the north (or in the north of your home/office), will help you navigate the year 2023 and bring you great luck.
