

Fortune of Year 2024 for People Born in the Year of the Dog

Career Tip: You Might Face Numerous Challenges, Remain Patient And Await Your Moment Of Opportunity.

For those born in the Year of the Dog, the celestial bodies in your chart are in conflict this year, coupled with a profusion of unfortunate stars. A turbulent year lies ahead, fraught with numerous challenges. The Unlucky Star "Leopard's Tail" signifies potential oppression from higher-ups, hindering your pursuit of ambitions. Your only recourse is patience and endurance. Rebellious against the status quo will only precipitate a grim career future. Moreover, be wary of hidden adversaries, likely to strike when you are most vulnerable.

The Unlucky Star "Iron Bars" also looms over you this year, necessitating extreme caution when dealing with contracts and managing finances. A thorough review of your documents is advised to evade legal complications. You are likely to face significant stress and workload this year, with most of your effort resulting in exhaustion rather than success. Those born in the Years of the Pig and the Horse could prove beneficial allies career-wise. Collaborating with them may be a strategic move to overcome constraints. The east direction favors your career this year, and the

most fortuitous career choices are those associated with "metal" and "water".

Financial Tip: Expect Significant Expenditures This Year. It's Wise To Prepare Ahead Of Time

Individuals born in the Year of the Dog may face significant financial challenges this year. Your primary income source may prove to be unstable, and secondary income streams could prove unreliable. As such, it may be best not to rely on such opportunities should they arise. The ominous "Huge Drain" star is in your orbit this year, indicating the potential for large expenses. Therefore, it would be wise to save wherever possible and curb excessive spending. There is a likelihood of an accident occurring in the first half of the year, which could result in substantial costs. Therefore, it would be prudent to be prepared for such eventualities. This year is not conducive for major investments as they could potentially result in financial ruin.

Health Tip: Look After Your Heart And Lungs. Be Cautious Of Fires

Individuals born in the Year of the Dog may experience varying health fortunes this year, with periods of both wellness and illness. It's important to prioritize self-care, ensure ample rest, and avoid

Fortune of Year 2024 for People Born in the Year of the Dog

overexertion to maintain good health. Particular attention should be paid to the heart and lungs as they are prone to ailments this year. Any signs of discomfort or illness should not be taken lightly. A host of Unlucky Stars appear in your astrological chart this year, necessitating increased vigilance to prevent accidents, including potential fires, at home or in the workplace. March could bring heightened risk of traffic accidents, so whether you're crossing the street or behind the wheel, extreme caution is advised.

Relationship Tip: Value Your Connections And Strive To Maintain Their Strength And Longevity

Individuals born in the Year of the Dog may frequently experience feelings of loneliness and sadness this year. The inauspicious "Broken Down" star is hovering above you, suggesting stagnation in your romantic endeavors, potentially even teetering on the edge of dissolution. Consequently, strive to preserve your relationship if it holds importance to you. Show empathy and forgiveness towards your partner. In the event of a separation,

endeavor to recover swiftly while extending good fortunes to your former partner.

Lukcycharm: The Four Waters Of Origin

In the realm of ancient divination, the convergence of four waters at a single source is regarded as a symbol of flourishing financial prosperity. This artwork portrays four sea turtles playfully cavorting in the surges, vigilantly safeguarding a treasure chest brimming with gold and silver ingots, crafting an auspicious tableau of good fortune.

Individuals born in the year of the dog are set to face a series of conflicting star houses this year, which may result in multiple career obstacles and less than satisfactory financial luck. To attract positive fortune, place **The Four Waters of Origin** in the eastern part of your living space or on a bedside table.
