As you're expected to face many obstacles, you must be extra careful in handling matters to avoid losing everything you worked hard for.

In terms of career, due to the influence of the inauspicious star "Hui Qi" (Bad Omen), you are likely to come across many backstabbers this year. Your fortune this year will be weak at first but stronger later, with many obstacles hitting you hard at the beginning of the year. If you can persevere and work hard, you will see results by the end of the year.

The ones who will be most helpful to your career this year are those born in the Year of the Tiger and the Dog. Work with these complementing forces with a sincere attitude and you'll be able to break through all difficulties.
