

Fortune of Year 2025 for People Born in the Year of the Mouse

Career Tip: You'll Achieve Academic Or Career Success, But Be Wary Of Ill-willed Acquaintances.

Those born in the Year of the Rat will have multiple lucky stars shining upon them this year, resulting in an extremely auspicious annual fortune. It's an excellent opportunity to seize the moment and strive for success!

The presence of the lucky star "Zi Wei" (Purple Star) indicates that you will have a sharp mind and abundant inspiration this year, allowing you to excel in studies, exams, or business matters, potentially achieving academic success or receiving a promotion and a pay raise. But remember not to become complacent or arrogant, or you just might hinder your own progress.

The presence of the lucky star "Long De" (Dragon Virtue) indicates that you will exhibit strong leadership abilities this year, allowing you to win the support from others and make accurate business judgments, leading your company towards success.

However, the presence of the inauspicious star "Liu Hai" (Six Harms) is a warning that you will encounter many petty people and ill-willed "friends" this year, so you must be vigilant in maintaining your integrity to avoid being tainted by bad influences and seriously damaging your future. Additionally, be very cautious of being betrayed by those around you.

Always keep in mind the ancient quote "it's never wise to completely trust someone".

The ones who can be the most helpful to your career this year are those born in the Years of the Dragon and Dog. If you can work with them with

sincerity, you will be able to complement each other and create a beautiful future together.

The most favorable direction for you this year is north. The most favorable career choices for you this year are those associated with the elements "fire" and "earth".

Financial Tip: Investments Will Be Profitable, But Avoid Excessive Greed.

Those born in the Year of the Rat will see a significant improvement in their financial fortune this year. Your primary income source will be stable and abundant, and investments will be favorable, allowing for diversified investing. You can also expect some gains from side income sources, but don't be too greedy, or poverty may await.

Due to the inauspicious star "Bao Bai" (Sudden Defeat) in your chart, you should avoid taking big risks this year to prevent devastating losses and wasting all your efforts. The most prosperous period for wealth this year is the twelfth month at the end of the year. Make sure to seize this opportunity well!

Health Tip: Pay Attention To Your Diet And Prioritize Safety.

Those born in the Year of the Rat will have good health this year with no major issues, but must still be careful to avoid accidents and injuries. The inauspicious star "Tian E" (Heavenly Misfortune) warns of potential accidental injuries this year. Therefore, you must pay close attention to personal safety when engaging in outdoor activities.

Fortune of Year 2025 for People Born in the Year of the Mouse

Your digestive system may be vulnerable this year, so in addition to being careful with what you eat daily, you should also avoid overeating.

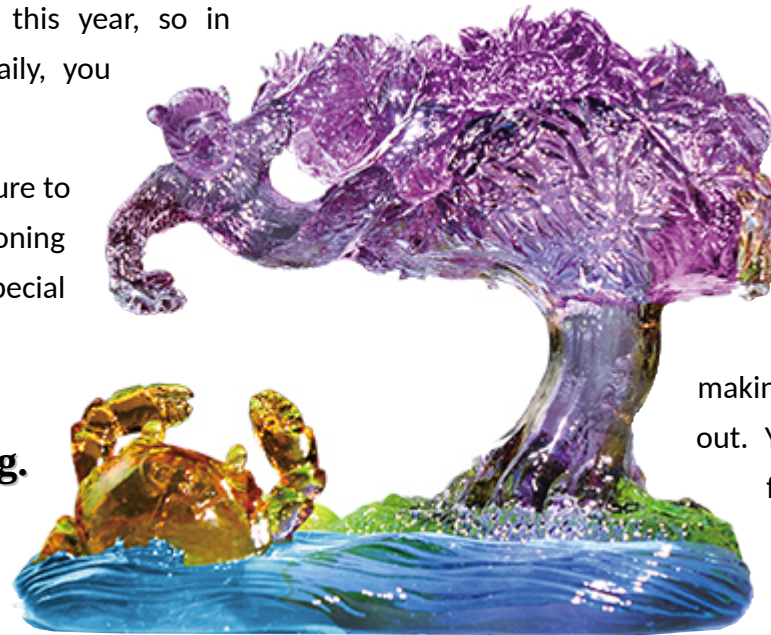

In the third and fourth lunar months, make sure to avoid eating unclean seafood to prevent food poisoning that could lead to hospitalization. Also, pay special attention to household safety in early winter.

Relationship Tip: Be Your Love Life May Be Complex And Ever-changing. Allow Things To Unfold Naturally.

Those born in the Year of the Rat will experience complex and ever-changing emotions this year, with ups and downs leading to anxiety and emotional tension. Try to take things more lightly and remain calm, for panicking will not help and may make things worse instead. Someone may attempt to meddle in your romantic relationships in the middle of the year, but by the end of the year there will be a turning point, opening a whole new chapter in your story.

Lukcycharm: Climbing The Osmanthus Tree

In ancient times, passing the imperial examination was referred to as "climbing the osmanthus tree", and getting the first rank in the palace examination was known as the most glorious feat a man could ever achieve.

Back then, crabs with their hardened shells symbolized the first rank. This motif combined with the image of a monkey climbing an osmanthus tree forms the auspicious sign of excellence and glory.

Those born in the Year of the Rat will be blessed by the lucky star "Zi Wei" (Purple Star), making it easier to achieve academic success and stand out. Your fortune in both wealth and health will be favorable. You're recommended to place the "Climbing the Osmanthus Tree" charm in a north-facing direction or at the head of your desk to boost positive energies.
