

# Fortune of Year 2025 for People Born in the Year of the Rooster

## **Career Tip: You're Likely To Achieve Fame And Fortune This Year. Make Sure To Foster Positive Relationships.**

Those born in the Year of the Rooster will have numerous lucky stars shining upon them this year, resulting in an extremely auspicious fortune. It's the perfect time to seize the opportunity and strive for progress.

With the auspicious star "San Tai" (Three Platforms) in your chart, you're likely to be often inspired this year and you'll be able to handle business matters easily. If you work hard, your persistent efforts will surely lead to success, bringing you both fame and fortune.

However, the presence of the inauspicious star "Wu Gui" (Five Ghosts) signals that you may easily attract backstabbers this year, so be wary of those who may get in the way of your success and also avoid becoming complacent to prevent inciting jealousy.

The lucky star "Jiang Xing" (General Star) is influencing your fortune this year, predicting unwavering support from colleagues and clients, allowing you to achieve twice the results with half the effort. If you're able to establish good interpersonal relationships during this time, your career will advance in leaps and bounds.

Unfortunately, as the inauspicious star "Guan Fu" (Legal Spell) is in your chart, there's a potential for legal troubles, so make sure to act cautiously, obey the laws, and avoid taking risks or relying too heavily on luck.

The ones who will be most helpful to your career this year are those born in the Year of the Tiger and the Year of the Dog. If you can work with them with sincerity, you will be able to achieve satisfying results.

The south is the most favorable direction for your career this year, and the most favorable career choices for you are those associated with the elements "fire" and "wood".

## **Financial Tip: Wealth Will Flow In Abundantly, But Avoid Excessive Greed.**

Individuals born in the Year of the Rooster will experience excellent financial fortune this year, with abundant primary income and frequent additional earnings. Investments will also yield ideal returns, making it an excellent time for ventures and starting new businesses to expand your prospects. Don't let this opportunity slip away! You're also quite likely to come into unexpected wealth, and betting small amounts may be a way to bring in extra gains.

However, make sure you know when to stop to avoid losing more than you win due to greed.

The periods this year when your financial fortune is the greatest are the third and fourth months of the lunar calendar (at the cusp of spring and summer) and around the end of the year.

## Health Tip: Your Health Should Be Good Overall, But Be Cautious Of Potential Injuries.

Those born in the Year of the Rooster will enjoy good health this year. As long as you pay attention to your daily diet and hygiene, there shouldn't be any major problems.

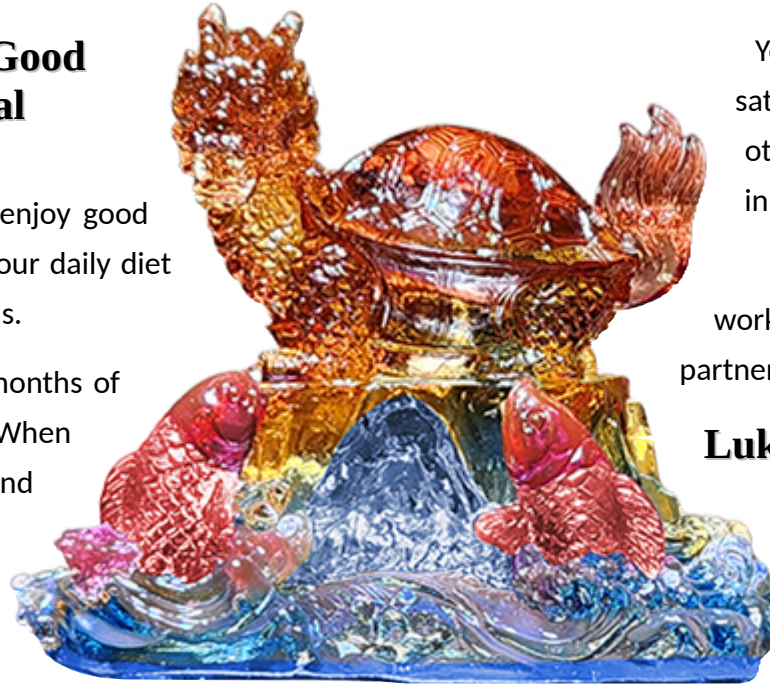

However, during the summer, in the lunar months of May and June, be cautious of potential injuries. When traveling, you must pay close attention to safety and stay away from dangerous areas.

At the end of the year, around the tenth lunar month, you need to be particularly mindful of traffic safety and avoid taking unnecessary risks.

Your cardiovascular system is prone to developing issues this year, but if you can reduce smoking and drinking and control your diet, there should be no problems. In the second half of the year, you should pay close attention to the health and safety of elderly family members. Don't let your guard down!

## Relationship Tip: Misunderstandings May Arise Easily, So Show More Care And Concern To Others.

People born in the Year of the Rooster will have average relationships this year and are prone to attracting backstabbers and gossip. Therefore, you must find ways to improve your interpersonal relationships to avoid being isolated.

Your romantic relationships should progress in a satisfactory way this year, but do be cautious of others who may try to sow discord and stir up waves in your love life.

Please remember that no matter how busy work gets this year, you absolutely cannot neglect your partner, or you'll regret it deeply.

## Lukcycharm: Golden Turtle & Red Carp

The golden turtle symbolizes success in your career, while the red carp represents wealth and profit. This piece depicts a golden turtle standing high on a rock while two red carp

leap nimbly through the waves, forming an auspicious sign together.

Those born in the Year of the Rooster will be blessed by multiple auspicious stars and enjoy a flourishing fortune. Fame and prosperity await you in your career, and investments will be profitable. You're recommended to place a "Golden Turtle & Red Carp" charm in a south-facing direction or at the head of your desk to boost positive energies.
